

Prince Mahidol Award Youth Program Conference 2018

January 30th, 2018

Siriraj Medical Simulation Center for Education and Training (SiMSET)
Faculty of Medicine Siriraj Hospital, Mahidol University, Bangkok, Thailand

Prince Mahidol Award Youth Program Mentor Lecture V

Host Faculty of Medicine Siriraj Hospital, Mahidol University,
Faculty of Medicine, Chiang Mai University and
Prince Mahidol Award Youth Program

Theme Simulation in Healthcare: Make It Practical

Moderator *Thanjira Jiranantakan, M.D., M.P.H.*

Faculty of Medicine Siriraj Hospital, Mahidol University, Thailand
Prince Mahidol Award Youth Program, Thailand
Thai Society for Simulation in Healthcare (Thai-SSH), Thailand

08.30-08.50 Registration

08.50-09.05 Opening Address by *Professor Suwannee Suraseranivongse, M.D*

Deputy Dean and Director of Siriraj Medical School, Faculty of Medicine
Siriraj Hospital, Mahidol University, Thailand

09.05-09.50 Inter-Professional Team Training to Improve Non-Technical Skill – a Successful
Story from Our Learning Lab

Assistant Professor Roy Phitayakorn, M.D., MHPE (MEd), FACS
The Massachusetts General Hospital Learning Laboratory, USA

09.50-10.00 Questions & Answers

10.00-10.15 Breaks

- 10.15-11.00** Effective Debriefing – Are We There Yet?
Associate Professor Paul E.Phrampus, M.D. and
John O'Donnell, R.N., CRNA, MSN, DRPH
 The Winter Institute of Simulation (WISER), University of Pittsburgh, USA
Assistant Professor Usapan Surabenjawong, M.D.
 Faculty of Medicine Siriraj Hospital, Mahidol University, Thailand
- 11.00-11.30** Team Work Training and Interdisciplinary Education in Simulation
Assistant Professor Borwon Wittayachamnankul, M.D.
 Faculty of Medicine, Chiang Mai University, Thailand
- 11.30-12.00** Current Situation and Future Direction of Simulation in Thailand
Associate Professor Polpun Boonmak, M.D.
 Faculty of Medicine, Khon Kean University, Thailand
 Thai Society for Simulation in Healthcare (Thai-SSH), Thailand
Poom Tritrakarn, M.D.
 Faculty of Medicine Siriraj Hospital, Mahidol University, Thailand
 Thai Society for Simulation in Healthcare (Thai-SSH), Thailand
- 12.00-13.00** Lunch
- 13.00-16.00** Workshop on non-technical skill
Assistant Professor Roy Phitayakorn, M.D., MHPE (MEd), FACS
 The Massachusetts General Hospital Learning Laboratory, USA
Praelada Wongsirimeteekul, M.D.
 Faculty of Medicine, Chiang Mai University, Thailand
- 13.00-14.15** Workshop 1: How to assess non-technical skill using Simulation?
- 14.15-14.30** Breaks
- 14.30-15.45** Workshop 2: Do you need feedback on feedback?
- 15.45-16.00** Summary/ Q&A
